Re/ PRESENTATION OF HOMELESS AWARENESS EDUCATION EVENT REQUEST TO BE PLACED ON THE SCHOOL BOARD AGENDA .

Dear Aiken County School District, Freedom Builders International request this letter requesting to be placed on the September 13, 2016 School Board Meeting Agenda. Freedom Builders International is registered in the State of South Carolina Charity Division since June 25, 2016. Freedom Builders International is also a 501(c) 3 Exempt.

Topic of Discussion:

Vision

Freedom Builders International is to empower students and families in transition through educational advocacy, social services programming and educational support while promoting awareness in schools and communities.

Purpose

The Homeless Education Program was designed to provide assistance to homeless students and families as defined by the McKinney Vento Homeless Act. To work interchangeably with school personnel, community services agencies, faith based organizations and local business in an effort to maximize access to various educational, social and economic services. During this week event we need the collaboration of School Board members, administration, students and parents to bring awareness to the communities each day of the event will host new and enriching activities.

Respectfully,
Homeless Education Awareness Committee Chairperson,
Jacqueline Jones
