Dear Ms Durden,

I wish to speak to the school board at the Sept 13th meeting. I plan to speak about the recent change at North Augusta high school not releasing students to participate in extra curricular activities, and my belief that this is harmful to children.

Thank you,  
Heath J.Cundey

Ms.Durden,

I would like to update my request to speak to the school board at the September 13th meeting to include my wife, Catherine Cundey, to be able to speak in our allotted five minutes.

Thank you for your assistance with this,  
Heath J.Cundey
