Re: October 14th Board Meeting
Subject: Request to Present to Board
Project No: -
Letter No: 001

Dear Mrs. Durden:

I am writing to formally request to be placed on the agenda for a presentation to the Aiken County School Board at the October 14th meeting.

My reason for presenting to the board is to speak about the upcoming vote on the 1 cent sales tax. I am a lifelong Aiken county resident who owns a local engineering firm. I believe it is in the best interest to the county to have some local participation in their upcoming design projects. This will allow a portion of the millions of tax dollars being spent on professional services to stay in Aiken County and add back to the local tax base.

The board is asking for the residents of Aiken County to support the 1 cent sales tax vote. As a business owner and an Aiken County resident, I would like to ask the board to support the local design firms for their future projects.

Best Regards,
