

BOARD AGENDA ITEM

January 10, 2017

SUBJECT:

Security Screening Protocols

BACKGROUND INFORMATION:

In an effort to increase the security of our school campuses and the safety of students and staff, administration has enhanced the requirements for visitors and volunteers in its schools. To automate the process of background screenings for Level Two volunteers and provide an additional measure of safety for all visitors, administration will provide for a consistent, electronic security screening protocol district-wide.

ADMINISTRATIVE CONSIDERATION:

Administration has evaluated the automation of the District's security protocols and finds this will provide an additional measure of safety.

RECOMMENDATION:

Review and accept the information as presented.
