SUBJECT:

Changes to Policy GCC Professional Staff Leaves and Absences and Policy GDC Support Staff Leaves and Absences, First Reading and addition of Administrative Rule GCC-R(2) Professional Staff Paid Parental Leave and GDC-R(2) Support Staff Paid Parental Leave

BACKGROUND INFORMATION:

Policies GCC and GDC establish the basic structure for all types of professional and support staff leaves and absences. On May 12, 2023, Governor Henry McMaster signed into law S. 11, which added Section 8-11-151 and added Section 8-11-156 of the South Carolina Code of Laws to provide six weeks of paid leave at one hundred percent of the eligible state employee's base pay or two weeks of paid leave at one hundred percent of the eligible state employee's base pay depending on the qualifying event.

Qualifying events include the birth of a newborn biological child to an eligible state employee or after a co-parent's birth of a newborn child or fostering a child in state custody or the initial legal placement of a child by adoption. To qualify for Paid Parental Leave (PPL), the adoption, birth or foster care placement must occur on or after June 26, 2023.

ADMINISTRATIVE CONSIDERATION:

Policy GCC Professional Staff Leaves and Absences and GDC Support Staff Leaves and Absences are revised to reflect the Paid Parental Leave inclusion and Administrative Rule GCC-R(2) Professional Staff Paid Parental Leave and GDC-R(2) Support Staff Paid Parental Leave

PROFESSIONAL STAFF LEAVES AND ABSENCES

Code **GCC** Issued **06/22**

Purpose: To establish the basic structure for all types of professional staff leaves and absences.

The continuous presence of employees promotes excellence in the instructional program by ensuring the following:

- uninterrupted continuity of education
- greater teacher-student contact time
- appropriate role model emulation
- consistent classroom discipline
- reduced cost

Therefore, the board expects employees to come to work every day. The board recognizes, however, that certain absences are unavoidable. At such times, employees should take leave in accordance with this policy and its accompanying administrative rule.

Absent employees must comply with procedures set out in the administrative rule that accompanies this policy.

Sick Leave

Accrual of sick leave

Employees of the district who work at least an equivalent of half time or more will be eligible to accrue sick leave on an annual basis.

All full-time employees of the district will accrue sick leave on a monthly basis for each month of active service. This will provide 12 days for 9 months, 13 days for 10 months, 14 days for 11 months and 15 days for 12 months. Effective July 1, 2022, an employee may accrue up to 180 days of sick leave, provided that such employee does not violate his/her respective contract. Any employee in excess of 180 days of sick leave on July 1, 2022, will be paid out for the number of days over the allowed 180 at the rate of \$25 per day. In any school year thereafter, employees will be compensated (up to 15 days annually) for sick leave accrued beyond the 180-day maximum at a rate of \$25 per day.

Sick leave will be accrued on a monthly basis. Employees with less than one year of service may apply for advancement of up to five days of sick leave not to exceed the maximum number of sick leave days allowed for the year. This request must be submitted to the chief officer of human resources and administration or designee within three days of return to work.

Employees who work under a letter of agreement accrue sick leave on a monthly basis. No sick leave days will be reimbursed at the end of the school year. Non-retired employees working through the completion of the current school year who are hired to work the next school year with no break in service will carry forward any accrued sick leave days.

Use of sick leave for absences

An employee may use sick leave for absences caused by personal illness.

PAGE 2 - GCC - PROFESSIONAL STAFF LEAVES AND ABSENCES

Use of accrued leave for illness in the immediate family

Accrued sick leave days may be used for serious illness in the employee's immediate family which requires the employee to provide care. An employee who anticipates requiring extended leave to provide care for a family member should submit a Family and Medical Leave Request form to his/her supervisor as far in advance as possible. The supervisor will forward the request to human resources, who will then provide certification documentation to the employee in order to qualify the medical leave. The certification documentation must be completed by a licensed medical physician and indicate the duration of anticipated leave. The request must be approved by the chief officer of human resources and administration or designee. The term "immediate family" includes the following:

- Parent - A biological, adoptive, step or foster father or mother, or someone who stood in loco parentis to the employee when the employee was a son or daughter. Parent for FMLA purposes does not include in-laws.
- Spouse - A husband or wife as defined or recognized in the state where the employee was married and includes individuals in a same-sex marriage or common law marriage.
- Son or Daughter - For leave other than military family leave, a biological, adopted, or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis who is either under 18 years of age, or 18 or older and incapable of self-care because of a mental or physical disability.

When the employee makes a request in writing, the superintendent or designee may grant an employee leave without pay for personal illness following the exhaustion of all accrued sick leave and any additional leave granted from the sick leave bank or shared leave as described in policies GCCAAA and GCCAAB.

The district will assign an employee who returns to work the same or similar duties that he/she performed prior to going on leave, if such assignment is in the best interest of the district. If the administration does not consider it to be in the best interest of the district to assign the employee to the position he/she had prior to going on leave or to a similar position, the district will offer the employee a position for which he/she is qualified. The district will place the employee on the payroll at his/her pre-leave salary status.

Use of Accrued Leave for Death in the Family

Accrued sick leave days may be used for the death of an employee's family member listed below. An employee who anticipates an extended leave due to death of listed family member must provide request in writing to immediate supervisor including the expected date of return.

The term "family" for bereavement includes the following:

- spouse
- son, son-in-law, stepson
- daughter, daughter-in law, stepdaughter
- mother, mother-in-law, stepmother
- father, father-in-law, stepfather
- brother, brother-in-law, stepbrother
- sister, sister-in-law, stepsister
- grandparents
- guardian and ward or other relative living in the household at the time of illness

If accrued leave is exhausted, the superintendent or designee may grant an employee leave without pay for death of listed family member.

PAGE 3 - GCC - PROFESSIONAL STAFF LEAVES AND ABSENCES

The district will assign an employee who returns to work the same or similar duties that he/she performed prior to going on leave, if such assignment is in the best interest of the district. If the administration does not consider it to be in the best interest of the district to assign the employee to the position he/she had prior to going on leave or to a similar position, the district will offer the employee a position for which he/she is qualified. The district will place the employee on the payroll at his/her pre-leave salary status.

Termination

The district may terminate the employment of any employee who fails to comply with the requirements of this policy and accompanying administrative rule, who fails to report to work at the expiration of authorized leave or who fails to obtain an extension of leave.

An employee is subject to termination from employment with the district for misstatements of fact and/or misrepresentations of purpose for which leave of absence is desired or on the basis of which sick leave is obtained.

The district will not terminate from employment those employees under this policy who have accrued sick leave and who are using it in compliance with this policy. The district will not terminate from employment any such employee during a continuing sick leave of less than 91 workdays.

Sick leave for retired employees rehired by the district on an "at will" basis

Retired employees rehired to work with the district on an "at will" basis will begin their employment with no accumulated sick leave. A retired employee will earn sick leave at the same rate as other employees, but will not accumulate sick leave beyond a school year. A retiree may request for advancement of up to five days of sick leave not to exceed the maximum number of sick leave days allowed for the year. This request must be submitted to the chief officer of human resources and administration or designee within three days of return to work.

Transfer of sick leave

An employee of a state agency transferring to any school district in the state or a school district employee transferring to a state agency may transfer to and retain all sick leave he/she accumulated at his/her former place of employment up to 90 days provided proper documentation is received from the sending district or state agency. Termination of employment cancels cumulative sick leave. Exiting employees may donate available accrued sick leave to the sick leave bank. If reemployed, the employee has the status of a new employee.

Reimbursement for unused leave

Effective July 1, 2022, employees with a minimum of 10 years of uninterrupted, continuous service to the district will receive payment of \$25 per day for any accrued sick leave remaining upon separation for any reason, including retirement, resignation, or dismissal for cause. Employees also have the option to donate all or a portion of accrued sick leave upon separation. Persons employed prior to July 1, 2022 will have sick leave payment grandfathered at the time of separation and will receive payment of \$25 per day for any accrued sick leave remaining upon separation. Persons reemployed with the district within 90 days of separation will have any accrued leave that was not paid out or donated at separation restored. Sick leave status upon reemployment is that of a new employee, provided that the employee has been separated for a period longer than 90 days.

Family and Medical Leave Act (FMLA)

PAGE 4 - GCC - PROFESSIONAL STAFF LEAVES AND ABSENCES

The board will provide leave to eligible employees consistent with Family and Medical Leave Act of 1993 (FMLA). Eligible employees may take this leave no more than once every twelve months. The twelve-month period in which this leave is available begins on the date of an approved FMLA leave. The district will continue to pay the district's share of the employee's health benefits during the leave provided the employee continues to pay his or her portion. If the employee fails to make payment, the employee's insurance may be cancelled. In addition, the district will restore the employee to the same or a similar position at the conclusion of the leave in accordance with board policy.

In complying with the FMLA, the district will adhere to the requirements of the Americans with Disabilities Act as well as other applicable federal and state laws.

For further information, please refer to administrative rule GCC-R.

Personal/Emergency/Legal/Bereavement Leave

Personal leave

The district will grant employees four days personal leave per year from the employee's annual sick leave allowance with prior approval of the employee's supervisor. For nine-month personnel, the annual sick leave allowance is 12 days. The district will pay for the substitute and the employee need not explain his/her absence. Personal leave will not be granted during the first five days and last five days of student attendance of the school year, on staff development days, during state testing periods and/or during other major testing periods as designated by the district, or the day before or immediately after a holiday except for exceptional circumstances and only with approval of the principal and the appropriate executive officer (or other appropriate supervisory personnel for staff not located in a school). This leave is not cumulative. Unused personal days revert to accrued sick leave days in the subsequent year.

In the event of a change in this policy, accumulated personal leave days will revert to sick leave days. Any additional absences for personal leave will be absence with full loss of a day's salary.

When a school employee is requested or subpoenaed to testify in a court case that is related to an employee's job in the school district, the district will grant the employee leave, upon application,

PAGE 5 - GCC - PROFESSIONAL STAFF LEAVES AND ABSENCES

to testify in court. No personal leave or vacation leave will be charged to the employee for this leave time.

Court witness not related to employment

When a school employee is requested or subpoenaed to testify in a court case that is not related to employment, the district will expect the employee to use personal leave days, vacation time, or deduction in salary for time absent for the court appearance. All fees received will remain with the employee.

Requests for court witness, jury duty, or emergency leave must be submitted on the appropriate district form accompanied by a copy of the jury summons, subpoena, or other emergency documentation.

Maternity Leave

An employee is eligible to use accrued sick leave during pregnancy and **both paid parental leave (PPL) and accrued sick leave** following the birth of a child. An employee may also utilize family medical leave (FMLA) as otherwise provided in this policy to qualify for maternity leave without pay.

An employee on maternity leave will be eligible to return to work upon receipt of medical documentation in human resources which verifies fitness to assume the responsibilities of the job.

The supervisor will forward the request to human resources, who will then provide certification documentation to the employee in order to qualify the medical leave. The certification documentation must be completed by a licensed medical physician and indicate the duration of anticipated leave. The request must be approved by the chief officer of human resources and administration or designee. The term "immediate family" includes the following:

Military Leave

Employees may take military leave without loss of pay, seniority, or efficiency rating for one or more periods not exceeding a total of 15 workdays in one year. Saturdays, Sundays, and state holidays may not be included in this 15 days unless the Saturday, Sunday, or holiday is a regularly scheduled workday for the employee.

This leave may be taken when the employee is engaged in training or other duties ordered by the governor, the Department of Defense, the Department of the Army, the Department of the Air Force, the Department of the Navy, the Department of the Treasury, or any other department or agency of the government of the United States having authority to issue lawful orders requiring military service. This leave applies to employees who are either enlisted or commissioned members of the South Carolina National Guard, the United States Army Reserve, the United States Air Force Reserve, the United States Naval Reserve, the United States Marine Corps Reserve, or the United States Coast Guard Reserve.

The board expects employees to request their training for a period when school is not in session.

An employee seeking leave for annual active duty training must forward a written request, including the appropriate verifying data, to the superintendent no later than 30 days prior to the pre-arranged military activity.

In the event an employee is called upon to serve during an emergency, he/she will be entitled to paid military leave for a period not exceeding 30 additional days and to unpaid military leave thereafter. Employees who have annual or vacation leave may apply it toward the unpaid portion of their time in military service.

Conferences/Training Workshops

Professional leave may be granted upon approval of the immediate supervisor. Approved requests will be filed with the personnel department.

Such leave may be granted for the following reasons:

- South Carolina Department of Education sponsored workshops in a related area
- appropriate professional meetings--local, state, and national
- other activities that would enhance the professional growth of support personnel in their respective areas of responsibility

In cases where a possibility for use of car pools exists, reimbursement will be made on the basis of the authorized mileage rate for the minimum number of vehicles required. Receipts may be required for all authorized expenses.

Professional leaves in excess of 10 consecutive working days must be approved in advance by the board upon the recommendation of the district superintendent.

Consulting and Other Services External to the School District

Personnel may be granted leave to make contributions to other educational agencies or institutions through teaching, conducting workshops, or serving in consultative capacity and other similar professional activities. Such activities must be approved by the district superintendent or his/her designee.

Paid parental leave for newborn biological child or foster of a child

Eligible District employees who are employed by the District and who give birth are entitled to receive six weeks of paid parental leave upon the occurrence of a qualifying event. Other eligible District employees who do not give birth are entitled to receive two weeks of paid parental leave upon the occurrence of a qualifying event.

- 'Child' means a newborn biological child or foster of a child in state custody and under the age of eighteen. No child can have more than two parents eligible for paid parental leave.
- 'Eligible District employee' means an employee defined by the Department of Education using the Professional Certified Staff system or any full-time equivalent position categorized as classified staff.
- 'Paid parental leave' means six weeks of paid leave at one hundred percent of the eligible District employee's base pay or two weeks of paid leave at one hundred percent of the eligible District employee's base pay.
- 'Qualifying event' means the birth of a newborn biological child to an eligible District employee or after a co-parent's birth of a newborn child or fostering a child in state custody.

Paid parental leave usage includes the following:

- The entitlement of this leave expires at the end of the twelve-month period beginning on the date of such birth or initial legal placement. An eligible District employee shall receive no more than one occurrence of six or two weeks of paid parental leave for any twelve-month period, even if more than one qualifying event occurs. However, nothing in this item prohibits a foster parent from requesting and receiving approval for parental leave in nonconsecutive one-week time periods.
- If the leave is not used by the eligible District employee before the end of the twelve-month period after the qualifying event, such leave does not accumulate for subsequent use. Paid parental leave may not be donated. Any leave remaining at the end of the twelve-month period or at separation of employment is forfeited.
- Days of paid parental leave taken under this policy must be taken consecutively, except that foster parents may request and receive approval for parental leave in nonconsecutive one-week time periods.
- If both parents are eligible District employees, paid parental leave may be taken concurrently, consecutively, or a different time as the other eligible District employee.
- District holidays and vacation on the District calendar must not be counted against paid parental leave.
- When an eligible District employee's entitlement to leave under this policy extends beyond their designated term of employment for their contractual term, the employee may continue

their period of paid parental leave in the subsequent contractual term, provided the employee remains an eligible District employee.

- Paid parental leave must run concurrently with leave taken pursuant to the Family Medical and Leave Act and any other unpaid leave to which the eligible District employee may be entitled as a result of the qualifying event. However, leave granted under this policy is with pay and is not annual leave or sick leave and therefore does not deduct from the eligible District employee's accrued leave balance. An eligible District employee does not have to exhaust all other forms of leave before being eligible to take leave granted under this policy. Eligible District employees shall accrue annual and sick leave at the normal rate while on this leave, if applicable.
- The use of paid parental leave by an eligible District employee shall not prevent the eligible District employee from earning a STEP increase the following year. Paid parental leave is considered paid leave and the time must count toward the eligible District employee's years of service.
