Dear Dr Everett & Board Members,

The Leavelle Campbell School Alumni Association would like to donate a historical marker with the history of Leavelle McCampbell School. The history has been researched and finalized by the South Carolina Department of Archives and History. Mr. Tracy Power, the coordinator of the SC Historical Marker Program will answer any questions you may have regarding this matter. He can be reached at 803-896-6182.

The Alumni Association would like to ask permission to have this prestigious marker placed on the grounds of Leavelle McCampbell School. We are planning to unveil the marker at a reunion on April 21, 2012, and would like your immediate consideration to this matter, as it may take 6 to 12 weeks to cast the marker. Thank you for your prompt attention and reply.

Sincerely,

Joe A. Taylor
