

AGENDA ITEM
July 28, 2020

SUBJECT:

Innovative Course Application for Intro to Barbering and Cosmetology

BACKGROUND INFORMATION:

School districts are allowed to develop and offer innovative Career and Technical Education (CTE) courses. Innovative CTE courses should be unique courses representing emerging areas of study that fall outside of the Office of Career and Technical Education's course offerings. The SC Department of Education requires board approval for locally designed and innovative courses.

Based on student requests and past course enrollment, there is a need to expand offerings in this field.

ADMINISTRATIVE CONSIDERATION:

The Executive Director of High Schools and administration of the Aiken County Career and Technology Center are requesting to obtain approval to submit an innovative course application to the South Carolina Department of Education for review and approval for Intro to Barbering and Cosmetology.

RECOMMENDATION:

Approve the innovative course Intro to Barbering and Cosmetology
