

BOARD AGENDA ITEM

January 14, 2025

SUBJECT:

Schematic Plans for the Belvedere Elementary Food Service and Multi-Purpose Room Project

BACKGROUND INFORMATION:

The administration has completed the scope for the Food Service and Multi - Purpose Room Project for Belvedere Elementary. The architectural firm of Cheatham, Fletcher Scott (CFS) has utilized this scope to produce the schematic design plans for this school.

ADMINISTRATIVE CONSIDERATION:

The Architects will present the design narrative and schematic design for the Belvedere Elementary Food Service and Multi-Purpose Room Project. Preliminary construction cost estimates and architectural plans will also be distributed for the Board's review and approval at the Board Meeting. Funding for this project will come from the \$90MM projects account generated by the 2018 bond referendum.

RECOMMENDATION:

Approve the schematic design narrative, schematic plans, and preliminary construction cost estimate for the Belvedere Elementary Food Service and Multi-Purpose Room Project as presented by Cheatham, Fletcher Scott Architecture.
