

**BOARD AGENDA ITEM
APRIL 21, 2026**

SUBJECT:

Consideration of XSEL Redesign

BACKGROUND:

The school board approved the creation of XSEL in the spring of 2020. The program is designed to help students identify social and emotional triggers while developing the skills to self-regulate and overcome behavioral challenges. XSEL officially opened in the fall of 2020.

ADMINISTRATIVE CONSIDERATION:

During the 2025–2026 school year, a committee was formed to evaluate the XSEL program and make recommendations for improvement. As part of this work, staffing recommendations and schedules are included in the presentation.
