

BOARD AGENDA ITEM

June 9, 2026

SUBJECT:

Funding Flexibility for the Quarter and Year Ending June 30, 2026

BACKGROUND INFORMATION:

Under provisos 1.21, 1.24 and 1A.13 for Fiscal Year 2025 – 2026, all school districts and special schools of this State may transfer and expend funds "to ensure the delivery of academic and arts instruction to students." Flexibility guidelines require that each district's board and superintendent certify the specific flexibility actions taken. The certification must be in writing, signed by the board chairman and superintendent, and delivered electronically to the State Superintendent of Education. The SC Department of Education will subsequently forward the information to various legislators and legislative bodies. The certification must be posted on the district's website.

ADMINISTRATIVE CONSIDERATION:

The SCDE typically allows unspent EIA and State grant funds to be carried over for one year. Funds unspent, and if not flexed, by the end of the subsequent year revert to the State. In this case, the District is requesting to flex Summer Reading carryover funds to the General Fund due to timing. Salary and related fringe for the June 2026 summer session will not be paid until July 2026. This flexibility request ensured no funds remain that have to be returned to the SC Department of Education. The shift to the General Fund is largely precautionary.

RECOMMENDATION:

Approve the funding flexibility for the quarter and year ending June 30, 2026
