

BOARD AGENDA ITEM

October 13, 2026

SUBJECT:

Phase Two Athletic Facility Improvements for Aiken High School

BACKGROUND INFORMATION:

The administration has completed the scope of needs for the Aiken High School facility improvements. The architectural firm Method Works Architecture has utilized this scope to produce schematic design plans and a preliminary budget for the project. The estimated construction budget is \$550,000. The overall budget includes design and inspection fees for a total of \$591,100. The scope of work includes new baseball and softball batting cages, baseball bleachers, and baseball scorer's tower improvements. This project will use 2014 1% funds.

ADMINISTRATIVE CONSIDERATION:

The architects will present the schematic design narrative and design for the Aiken High School batting cages and improvements. Preliminary construction cost estimates and architectural plans will also be distributed for the Board's review and approval at the board meeting.

RECOMMENDATION:

Review the schematic design narrative, schematic plans and preliminary construction cost estimate for the Aiken High School batting cages and improvements as presented by Method Works Architecture for consent. The total budget needed is \$591,100 using 2014 1% funds.
