

BOARD AGENDA ITEM

August 13, 2013

SUBJECT:

2013 Change Order 1 for Chukker Creek Elementary Paving Project

BACKGROUND INFORMATION:

Prices were received from 2 existing contractors with Contractors South, Inc. being the most responsive and responsible bidder for this work in the amount of \$50,262.82. The 2013-2014 Facilities Code Upgrade account has adequate funds for the improvements needed which are necessary to install a new valve pit and pressure reducing valves to accommodate the additional pressure on the new system at Leavelle McCampbell Middle.

ADMINISTRATIVE CONSIDERATION:

Allow the administration to move forward and initiate a change order to Contractors South, Inc. at Chukker Creek Elementary Paving Project and transfer from Code Upgrade Account in the of \$57,000.00 for all fee's associated with this work (design, construction administration, contingency).

RECOMMENDATION:

Allow the administration to accept the lowest quote from Contractors South, Inc. in order to install a new valve pit for the water lines at Leavelle McCampbell Middle and transfer \$57,000.00 from Code Upgrades Account to this project.
