

**BOARD AGENDA ITEM**

**September 24, 2019**

**SUBJECT:**

Approval to make contract award for district-wide pressure washing services.

**BACKGROUND INFORMATION:**

ACPSD is seeking to create a pool of pressure washing contractors to service the District. Aiken County Public School District Procurement Code V-B-4-b mandates that when utilizing the Competitive Best Value Bidding (BVB) sourcing method, proposals must be evaluated and ranked as most advantageous to least advantageous to the District. In a Competitive Best Value Bid, cost must be weighted at no less than 60% of the established evaluation criteria.

**ADMINISTRATIVE CONSIDERATION:**

Board approval is requested to award the contract to the three (3) highest ranked offerors for BVB2020-0001 for District-wide Pressure Washing Services. Proposals were evaluated based on criteria set forth in the solicitation.

**RECOMMENDATION:**

Authorize the Procurement Department to award the contract for the District-wide Pressure Washing Services (BVB2020-0001) to the top three vendors determined to be most advantageous to the District.
