

BOARD AGENDA ITEM

July 18, 2017

SUBJECT:

FY2017 Application for Title I, Part A of the Elementary and Secondary Education Act

BACKGROUND INFORMATION:

Title I, Part A provides federal assistance to school districts to help fund high quality, challenging instructional programs for children in schools that serve areas that have high concentrations of poverty. The State Department of Education has projected that \$7,750,198.57 in Title I, Part A funds will be allocated to the District for the 2017-2018 school year.

ADMINISTRATIVE CONSIDERATION:

As required by the Title I legislation, principals of eligible public, private, and charter schools, working with school-based Title I planning teams and district-level Title I staff, prepare program activity descriptions and related budgets that will be compiled in a single District Title I Application for submission to the South Carolina Department of Education for review and approval. Title I supported activities will vary among the eligible schools as determined by each school's needs assessment. In addition to required set-asides, district-wide functions under Title I will include student services, homeless student support, professional development, support of parenting/family literacy, budget management, program evaluation, and services for two Title I private schools for the 2017-2018 school year. Additionally, elementary teachers to provide reading intervention through the Read 180 program will be funded to serve Title I public elementary schools.

RECOMMENDATION:

Authorize the submission of the Title I application to the South Carolina Department of Education, adjustments to the FY2018 Budget to reflect authorized expenditures, and implementation of the program.
