

BOARD AGENDA ITEM
August 27, 2019

SUBJECT:

Textbook Adoption for Discrete Mathematics

BACKGROUND INFORMATION:

The District examines and evaluates textbooks adopted by the State for use in the classroom and recommends to the School Board those selected by teacher committees for our district. Upon approval by the School Board and funding by the State, schools may proceed to order those textbooks from the State Textbook Depository.

ADMINISTRATIVE CONSIDERATION:

Discrete Mathematics was on the state adoption list several years ago, however, Aiken County Public School District did not offer the course at the time. ACPSD high schools will be offering the course in 2019-20, and teachers developed a curriculum map this summer. The Instructional Services Division recommends the adoption of ***A Survey of Mathematics with Applications (8th edition)*** by Angel, Abbott, and Runde as the text for Discrete Mathematics.

RECOMMENDATIONS:

Adopt ***A Survey of Mathematics with Applications (8th edition)*** by Angel, Abbott, and Runde for Discrete Mathematics.
