SUBJECT:

2022 Graduation Ceremonies at USC-A Convocation Center

BACKGROUND INFORMATION:

Since 2009 graduation ceremonies have been held at the USCA Convocation Center. All high schools have been supportive of this location and the Convocation Center has been very accommodating for the graduation exercises.

ADMINISTRATIVE CONSIDERATION:

The cost for renting the Convocation Center for three days for eight graduations and the ACC&TC Completer Ceremony is estimated to cost approximately \$23,800. The district will continue to seek sponsors to cover these costs.

RECOMMENDATIONS:

Allow the administration to rent the USCA Convocation Center for high school graduations and ACC&TC Completer Ceremony. The events will be held from June 1-3, 2022.
