

BOARD AGENDA ITEMS

March 27, 2012

SUBJECT:

Request to Operate on a Four-Day Week

BACKGROUND:

During the past sixteen summers, twelve-month employees have been allowed to work ten hours a day, four days a week. In the past, a majority of the employees have shown support for this work week schedule.

ADMINISTRATIVE CONSIDERATION:

Since the efficiency of twelve-month employees during the ten hour day, four days a week, appears to increase, and the schedule is a great morale booster for the majority of the employees, the administration endorses a Monday through Thursday, 7:15 AM until 5:45 PM work day with thirty minutes for lunch. Employees taking a full hour for lunch will work until 6:15 each day.

RECOMMENDATION:

Approve the recommendation of the administration to schedule schools and offices to begin the four day work week starting Monday, June 4, 2012, and to return back to a five day work week beginning Monday, August 6, 2012.
