SUBJECT:

Submission of the No Kid Hungry Grant – FY21

BACKGROUND INFORMATION:

The purpose of the No Kid Hungry Grant is to support districts and community organizations working together to serve as nutrition hubs for their communities. Each grantee, i.e. school nutrition department, will receive a grant of \$25,000.00 to \$50,000.00 to facilitate relationship building with community organizations to support their efforts in ensuring kids in their community have access to the federal meals programs, backpack programs and food pantries. This grant will also support the needs of school nutrition departments to run these programs; therefore, grant funding can go towards equipment or supplies, materials and resources, i.e. promotions materials, informative resources for district stakeholders, or other items the district deems necessary to operate these nutrition programs in a manner that benefits all students. The School Food Service Department is requesting to submit the application for the No Kid Hungry Grant.

ADMINISTRATIVE CONSIDERATION:

The Division of Finance has evaluated the goals and objectives and finds them to be consistent with district educational goals.
