**SUBJECT:**

DART Foundation Grant to North Augusta High School – FY18

**BACKGROUND INFORMATION:**

North Augusta High School Robotics Teams were awarded a \$5000.00 grant from the DART Foundation. The private family foundation established by William A. and Claire T. Dart considers requests for projects that support public school education with an emphasis on Science, Technology, Engineering, and Mathematics (STEM). The funds from this grant will be utilized to support four robotics teams at the school by purchasing robot parts, providing registration and competition fees, and securing transportation to competition events.

**ADMINISTRATIVE CONSIDERATION:**

The Division of Instruction has evaluated the goals and objectives and finds them to be consistent with district educational goals.

**RECOMMENDATION:**

Approve the \$50000.00 DART Foundation Grant to North Augusta High School and adjustments to the FY18 Special Revenue Fund to reflect the amount of the donation and expenditures.
