

## BOARD AGENDA ITEM

May 10, 2022

### SUBJECT:

K-5 Music Textbook Adoptions for 2022-2023

### BACKGROUND INFORMATION:

The District examines and evaluates textbooks adopted by the State for use in the classroom and recommends to the School Board those selected by teacher committees for our district. Upon approval by the School Board and funding by the State, schools may proceed to order those textbooks from the State Textbook Depository.

### ADMINISTRATIVE CONSIDERATION:

Upon receipt of the State adopted textbook list, each school nominated one school representative to serve on the K-5 Music adoption committee. School representatives were given digital access to each of the three programs approved by the State. After reviewing each program using the district K-5 Music Textbook Evaluation Rubric, school representatives submitted their evaluation scores for each program on a digital form. Following the submission of all scores, school representatives met to reach consensus on the best match between the textbooks and the needs of our students. Results from that consensus meeting are represented in the recommendation included in this agenda item.

### RECOMMENDATIONS:

Adopt the music textbook recommendation from the teacher committee.
