

BOARD AGENDA ITEM

January 12, 2021

SUBJECT:

Membership of the Aiken County Public School District Head Start / Early Head Start Policy Council

BACKGROUND INFORMATION:

Section 642 of the Head Start Act requires grant agencies to establish and maintain a formal structure for program governance, including a policy council to advise on program operation and design and assist in the development of long and short-term planning goals and objectives. The policy council bylaws require the governing body to approve the membership of the policy council. The school board approved policy council candidates proposed on December 8, 2020. As additional candidates are nominated by Head Start / Early Head Start locations and communities, those will be presented to the school board for approval.

ADMINISTRATIVE CONSIDERATION:

Administration reviewed the list of additional candidates (highlighted in document) and found these individuals meet the requirements set forth in the bylaws. Head Start leadership will continue to solicit parent nominations and/or volunteers for remaining slots.

RECOMMENDATION:

Approve the updated list of policy council members and alternates.
