SUBJECT:

Renaming the Pinecrest Center to the Aiken County Public Schools Center for Innovative Learning.

BACKGROUND INFORMATION:

On June 21, 2011, the Aiken County Public Schools Board of Education approved an Alternative Learning Initiative and budget intended to meet the needs of all of the students in the District. The Alternative Learning Steering Committee with the Superintendent's Cabinet recommends a name change for the facility to promote the comprehensive effort to meet the needs of students with academic and/or behavioral needs.

ADMINISTRATIVE CONSIDERATION:
