### **SUBJECT:**

Request for Proposals for 2022 for Outdoor Video Display Scoreboards for Aiken County Public Schools

### **BACKGROUND INFORMATION:**

Request for Proposals for 2022 Annual Contract for Outdoor Video Display Scoreboards for Aiken County Public Schools were received on May 5, 2022 at 3:00 p.m. There were 2 vendors submitting proposals. Services are needed on an annual contract on a time and material basis coordinated through the Facilities Construction Department to purchase outdoor display scoreboards. This will include the removal of existing scoreboards, installation of foundation/footing to meet county building codes for new video display scoreboards, installation of video display scoreboard, and electrical/Wi-Fi hook up. After evaluating the proposals received, the Selection Committee believes the District would be best served if Daktronics, Inc. were used on an annual basis.

### **ADMINISTRATIVE CONSIDERATION:**

The administration has reviewed and evaluated the proposals and has selected Daktronics, Inc. to purchase outdoor video display scoreboards.

### **RECOMMENDATION:**

Allow the administration to enter into a contract with Daktronics, Inc. on an annual basis for outdoor video display scoreboards installs over the next 5 years.
