

## **BOARD AGENDA ITEM**

December 17, 2019

### **SUBJECT:**

Request for Proposals for Electrical Services for Aiken County Public Schools

### **BACKGROUND INFORMATION:**

Request for Proposals for Electrical Services were received October 22, 2019 at 3:00 p.m. Services are needed on a time and material basis primarily for mobile classroom installations; however, small projects may be performed as needed by Maintenance, Food Service or Principals and will be coordinated through the Facilities Construction Department or Maintenance Department. After evaluating the proposals received, the Selection Committee believes the District would be best served if both companies are selected: G&G Electrical of North Augusta ranked 1<sup>st</sup> as most responsible and responsive and West Electrical Contractors of Newberry, Inc. ranked 2<sup>nd</sup> as most responsible and responsive.

### **ADMINISTRATIVE CONSIDERATION:**

The administration has reviewed and evaluated these proposals and accepts the terms and conditions of both as being reasonable.

### **RECOMMENDATION:**

Allow the administration to enter into contract with G&G Electrical Contractors of North Augusta and West Electrical Contractors of Newberry, Inc. per RFP#102219 on a Time and Material Basis.
