### **SUBJECT:**

Submission of the Summer Reading Camp Community Partnership Grant

### **BACKGROUND INFORMATION:**

The General Assembly has provided funding to the State Department of Education for the Summer Reading Camp Community Partnership competitive grant opportunity whereby community organizations and school districts can collaborate to provide summer reading camp activities during the mandated Read to Succeed summer reading camp. In this Summer Reading Camp Partnership, a cohort of approximately 500 second and third grade students who are significantly below grade-level reading proficiency from elementary schools across the district will participate in a six-week program that focuses on reading, writing, listening, and researching skills. With the \$42,000 provided by the grant, the school district proposes a community partnership with the Salvation Army Nancy Moore-Thurmond Boys and Girls Club of Aiken to extend the hours of the Summer Reading Camp day in order to move the cohort of students closer to proficiently reading on grade level.

### **ADMINISTRATIVE CONSIDERATION:**

The Division of Instruction and Accountability has evaluated the goals and objectives of this grant and finds them to be consistent with district goals.

### **RECOMMENDATION:**

Approve the submission of the Summer Reading Camp Community Partnership Grant and the receipt of funds, if awarded.
