

BOARD AGENDA ITEM

October 11, 2011

SUBJECT:

Construction Document Plans for the Gym Restroom Addition at A.L. Corbett Middle

BACKGROUND INFORMATION:

The administration has completed the scope, Gym Restroom Addition needs for the A.L. Corbett Middle Project. The architectural firm of Craig Gaulden Davis, and their consultants have utilized this scope to produce the construction document plans. Due to the limited size and scope of this project, Schematic Plans and Design Development Plans were combined with this package.

ADMINISTRATIVE CONSIDERATION:

The Architects will present the design narrative, construction documents package for the A.L. Corbett Middle Project. Final construction cost estimates and architectural plans will also be distributed for the Board's review and approval at the Board Meeting.

RECOMMENDATION:

Approve the design narrative, construction document plans, final construction cost estimate, and advertise to bid the A.L. Corbett Middle Project as presented by Craig Gaulden Davis.
