***SUBJECT:***

Funding Flexibility for the Quarter and Year Ending June 30, 2023 – Second Submission

***BACKGROUND INFORMATION:***

Under provisos 1.22, 1.29 and 1A.14 for Fiscal Year 2022 – 2023, all school districts and special schools of this State may transfer and expend funds "to ensure the delivery of academic and arts instruction to students." Flexibility guidelines require that each district's board and superintendent certify the specific flexibility actions taken. The certification must be in writing, signed by the board chairman and superintendent, and delivered electronically to the State Superintendent of Education. The SC Department of Education will subsequently forward the information to various legislators and legislative bodies. The certification must be posted on the district's website.

***ADMINISTRATIVE CONSIDERATION:***

The SCDE typically allows unspent EIA and State grant funds to be carried over for one year. Funds unspent, and if not flexed, by the end of the subsequent year revert to the State. In this case, the District is requesting to flex \$219,105 in Summer Reading carryover funds to the General Fund. These funds went unused as result of an abundance of ESSER funding for summer programming.

***RECOMMENDATION:***

Approve the funding flexibility for the quarter and year ending June 30, 2023
