

BOARD AGENDA ITEM

July 29, 2025

SUBJECT:

Request for Proposals for FY 2026 Annual Contract for K-12 Educational Artificial Intelligence Platform for Aiken County Public Schools

BACKGROUND INFORMATION:

Proposals for the FY 2026 Annual Contract for K-12 Educational Artificial Intelligence Platform for Aiken County Public Schools were received on June 24, 2025, at 2:00 p.m. Programs are needed throughout the district and will be coordinated through the District's Instructional Services Division. There were nine vendors who submitted proposals as part of this RPF. After evaluating the proposals, the Selection Committee believes the District would be best served by selecting three companies: Magic School, Khan Academy, & Brisk Labs Corp.

These companies will be utilized in different capacities as needed throughout the District.

ADMINISTRATIVE CONSIDERATION:

The administration has reviewed and evaluated the proposals and has selected the following contractors ranked in the order outlined above.

RECOMMENDATION:

Allow the administration to enter into contracts with the firms listed above on an annual basis for various K-12 Educational Artificial Intelligence platforms over the next five years.
