

BOARD AGENDA ITEM

October 28, 2014

SUBJECT:

A request from Aiken County Career and Technology Center to accept a donation made to the Machine Tool Department.

BACKGROUND INFORMATION:

The Machine Tool Department would like to accept a donation from two local machinists, Mr. Kenny Jarrett and Mr. Brian Lybrand, totaling \$2200, in exchange for the removal of two lathes valued at \$800 and a third lathe valued at \$600. These lathes have been deemed unsafe for student use and are labeled as surplus, however, these items exceed the weight limits allowed for maintenance removal.

ADMINISTRATIVE CONSIDERATION:

The Aiken County Career and Technology Center would not incur any expenses with the acceptance of this donation and removal of these items.

RECOMMENDATION:

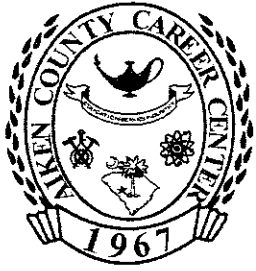

Approve the acceptance of the donation totaling \$2200, and allow the local machinists to remove the three lathes from the school.

ATTACHMENTS:

1. Letter of request from Mr. William Hudson, Aiken County Career and Technology Center Director.
2. Equipment estimate from Southeastern Tool Company.

PREPARED BY:

Tim Yarborough

October 13, 2014

Dr. Yarborough,

Mr. Cooks, Machine Tool Instructor, has three lathes of some age that have been deemed unsafe for student use. He has had the value of the lathes accessed by Don Cheeks, owner of Southeastern Tool Company. Two of the lathes were valued at \$800 and the other at \$600. Two local machinists have asked to make a donation to the Machine Tool Department in the valued amount in the exchange for the lathes.

We have been in contact with Doug Atkins regarding this issue. He has indicated a board agenda item would need to be done in regards to approval to complete this transaction.

Sincerely,

William Hudson
Director
Aiken County Career & Technology Center

October 13, 2014

Mr. Hudson,

On this date, Mr. Don Checks came to the machine shop to assess three pieces of equipment. Mr. Checks is the owner of Southeastern Tool Company located in Aiken S.C.

The equipment that Mr. Checks assessed is: 1970 Lodge Shipley engine lathe, 1975 Leblond engine lathe, and a 1990 Victor engine lathe.

After examination, he has assessed the value of the following lathes as:

1970 Lodge Shipley- \$ 800.00
1975 Leblond- \$ 800.00
1990 Victor- \$ 400.00

Name: Don Checks
