

BOARD AGENDA ITEM

March 28, 2023

SUBJECT:

4-K Curriculum Adoption for 2023-2024

BACKGROUND INFORMATION:

The District examines and evaluates curricula approved by the State for use in the classroom and recommends to the School Board those selected by teacher committees for our district. Upon approval by the School Board and funding from Aiken County Public School District, Paige Leopard, Director of Early Learning, may proceed to order the curriculum from the vendor, Frog Street.

ADMINISTRATIVE CONSIDERATION:

Upon receipt of the State approved curricula list, publishers provided the district with sample copies of approved curricula to review and evaluate. All 4K teachers participated in a District Adoption Committee that participated in face-to-face meetings to review and discuss samples. In January 2023, all 4K teachers were invited to explore a hard-copy of approved curricula. After receiving additional digital access and discussing curricula options with their colleagues at their respective schools and reviewing the curricula's alignment with state standards, the teachers met to reach a consensus on the best match between the curricula and the needs of our students.

RECOMMENDATIONS:

Adopt the curriculum recommendation of the teacher committee.
