

**BOARD AGENDA ITEM**

**MARCH 8, 2016**

**SUBJECT:**

Curb Appeal Landscaping Project

**BACKGROUND INFORMATION:**

On January 26, 2016, the board passed a resolution authorizing the sale of an unused 3.13 acre corner tract of property of the Aiken Elementary School Site. The resolution stated that the purchase would create needed capital funds for other capital projects. The sale of the property generated a total \$470,451.75 in additional funding.

**ADMINISTRATIVE CONSIDERATION:**

The administration has developed a list of eleven schools in need of landscaping and grounds improvements. The improvements would enhance the appeal of each of the schools and the areas where the schools are located.

**RECOMMENDATIONS:**

Allow the administration to use the funds generated by the sale of the Aiken Elementary Property to proceed with landscaping and grounds improvements at the eleven school sites.
