

BOARD AGENDA ITEM

SEPTEMBER 12, 2017

SUBJECT:

Request for donation of SMART Boards & Projectors to Second Baptist Christian Preparatory School

BACKGROUND INFORMATION:

The Aiken County Public School District has recently had new SMART Boards and projectors installed as part of the district's SMART Board upgrade initiative. The district now has a number of SMART Boards and projectors that are no longer software compatible and cannot be used in any of our facilities. Second Baptist Christian Preparatory School has contacted the district in regards to the equipment that was recently replaced.

RECOMMENDATIONS:

Approve Aiken County Public School District's donation of SMART Boards and projectors that are no longer software compatible to Second Baptist Christian Preparatory School.

ATTACHMENT:

Request from Second Baptist Christian Preparatory School dated August 16, 2017

To Whom It May Concern:

Second Baptist Christian Preparatory is a school that provide an environment for each child to attain the highest levels of academic achievement by challenging them and inspiring a love for learning. We are grounded in a creative structure that respects the individual, affirms diversity and explores common goals for the development of a better world.

To maintain a high quality institution that prepares our students academically, we are requesting more advance technology for our school via smart boards and projectors. This technology will help our aim to promote excellence because when students actively participate in their own education, they are more motivated to learn. Teachers can capture the attention of students with varying learning styles by creating lessons that are simultaneously tactile, auditory, and visual.

We need your assistance in getting this technology that encourages innovation and creativity. Our teachers would greatly appreciate the assist of this technology in their classrooms to reflect an atmosphere for quality teaching as well as learning.

Our mission statement “is to nurture students, staff and parents/guardians to enhance the students’ learning abilities and build determination in an environment that promotes spiritual development and academic excellence”.

Sincerely,

Douglas A. Slaughter
Director
