

BOARD AGENDA ITEM

July 9, 2019

SUBJECT:

Local School Board Courses for 2019-20

BACKGROUND INFORMATION:

The school board must approve locally-designed courses annually. Three courses are being submitted to add to the previously approved course listing from the May 14, 2019 school board meeting. Those additional courses are College and Career Readiness (CCR) Prep, Junior ROTC 3 Honors, and Junior ROTC 4 Honors. SDE requires an Honors Framework to be applied to review the components of Honors level courses. This documentation is kept on file at the district level in case of a State Department audit of these courses.

ADMINISTRATIVE CONSIDERATION:

The Division of Instruction has evaluated the new requests for local approved courses for 2019-20 and finds them to be consistent with district educational goals.

RECOMMENDATION:

Approve the additional Local School Board Courses for 2019-20
