

BOARD AGENDA ITEM

July 15, 2025

SUBJECT:

Request for Proposals for FY 2026 Annual Contract for K-12 Supplemental Educational Software for Reading (ELA), Social Studies, Math & Science for Aiken County Public Schools

BACKGROUND INFORMATION:

Proposals for the FY 2026 Annual Contract for K-12 Supplemental Educational Software for Reading (ELA), Social Studies, Math & Science for Aiken County Public Schools were received on June 24, 2025, at 2:00 p.m. Programs are needed throughout the district and will be coordinated through the District's Instructional Services Division. There were 32 vendors who submitted proposals as part of this RFP. After evaluating the proposals, the Selection Committee believes the District would be best served by selecting 26 companies: Heinemann, McGraw Hill, Brain Pop, iXL Learning, Explore Learning, Learning A-Z, Read Theory, Wilson Learning, Derivita, Progress Learning, EPS Learning, Digital Theater, HMH, Savvas, Try Once, Heggerty, Studies Weekly, Edmentum, Kahoot!, NoREDInk, ReThinkEd, Renaissance, Classworks, NewsELA, Imagine Learning, & Continental Press.

These companies will be utilized in different capacities as needed throughout the District.

ADMINISTRATIVE CONSIDERATION:

The administration has reviewed and evaluated the proposals and has selected the following contractors ranked in the order outlined above.

RECOMMENDATION:

Allow the administration to enter into contracts with the firms listed above on an annual basis for various K-12 supplemental e-learning platforms over the next five years.
