Dear Sir,

I am the Facilities Leader for our church, Hollywood Baptist, located in Saluda County. We are a new church and are in need of more space to grow. About three years ago we obtained five portable school buildings from Ermo High and Columbia College and converted them into a sanctuary and Sunday school rooms. We need several more for class rooms and a men's bible study building. We are aware of several vacant ones at Ridge Spring Elementary, and are very interested in getting some of them. We have looked at the buildings at Ridge Spring and we believe they would be ideal for our needs. They will also be easy to move to our property because of the short distance between our church and Ridge Spring Elementary. Of course we realize we will be responsible for having them moved to our property. Please consider this request as you prepare to dispose of them.

We deeply appreciate your time and consideration in this request, and may God bless you and Aiken County Schools.
