SUBJECT:

Updated Textbook Adoptions for 2018-19

BACKGROUND INFORMATION:

The District examines and evaluates textbooks adopted by the State for use in the classroom and recommends to the School Board those selected by teacher committees for our district. Upon approval by the School Board and funding by the State, schools may proceed to order those textbooks from the State Textbook Depository.

ADMINISTRATIVE CONSIDERATION:

The School Board approved 2018-19 general education textbooks on April 17, 2018. Updated course requirements for students with IEPs makes it necessary to expand textbook options for students with disabilities.

RECOMMENDATIONS:

Adopt the textbook recommendations from Special Programs
