BOARD AGENDA ITEM

FEBRUARY 13, 2018

SUBJECT:

Grades 2 to 8 Computer Assisted Instruction (CAI)

BACKGROUND INFORMATION:

During the 2017-2018 school year, district leadership and stakeholders have researched Computer Assisted Instruction (CAI) program for renewal at elementary grades and implementation at middle grades. The CAI Focus Team is comprised of teacher and administrative representatives from each elementary and middle school, Content Interventionists, Educational Technology representation, and Instructional Technology Specialists. The team developed a needs assessment, recommended vendors for consideration, participate in presentations, tested programs with students, and evaluated programs for instructional rigor and technical ease. The feedback from of the CAI Team was submitted to the Instructional Services Department Leadership Team for consideration and recommendation.

ADMINISTRATIVE CONSIDERATION:

The Instructional Services Division was presented the CAI Team feedback and recommends the implementation of Edmentum for grades 2 to 8. The ISD Leadership Staff approved this recommendation for ACPSD Board approval.

RECOMMENDATION:

Approve the purchase and implementation of the CAI Program Edmentum for three school years, to begin in the 2018-19 school year.
