

**BOARD AGENDA ITEM**  
**April 18, 2017**

**SUBJECT:**

District Strategic Plan Update

**BACKGROUND:**

Each school district must develop a five-year district strategic plan, and each school must develop a five-year school renewal plan as required by the Early Childhood Development and Academic Assistance Act of 1993 and the Education Accountability Act of 1998. District and school plans shall coordinate and align improvement initiatives [State Board Regulation 43-261]. As part of a continuous improvement process, each district is required to submit an update to its strategic plan every spring.

**ADMINISTRATIVE CONSIDERATION:**

The District Strategic Plan is not a static document, but one that provides a framework for moving Aiken County forward over the course of five years. The goals, strategies, and activities contained within the plan are reviewed and updated continually to meet the changing needs of our students and communities. Goals and objectives from our community-wide strategic planning exercise have been incorporated into the 2017 update.
