

BOARD AGENDA ITEM

April 21, 2015

SUBJECT:

District Strategic Plan Update

BACKGROUND INFORMATION:

Each school district must develop a five-year district strategic plan, and each school must develop a five-year school renewal plan as required by the Early Childhood Development and Academic Assistance Act of 1993 and the Education Accountability Act of 1998. District and school plans shall coordinate and align improvement initiatives [State Board Regulation 43-261]. As part of a continuous improvement process, each district is required to submit an update to its strategic plan every spring.

ADMINISTRATIVE CONSIDERATION:

The District Strategic Plan is not a static document, but one that provides the framework for moving Aiken County forward over the course of five years. The goals, strategies, and activities contained within the plan are reviewed and updated continually to meet the changing needs of our students and communities.

The 2015 strategic plan update reflects input from stakeholders and input received from the AdvancED accreditation review, which occurred in November 2014.

RECOMMENDATION:

Approve the Aiken County Public School District's 2014-2019 Strategic Plan - 2015 update
