BOARD AGENDA ITEM

SUBJECT:

Policy Changes Related to Reorganization - First Reading

BACKGROUND:

As the District continues to implement its administrative reorganization, numerous policies have been identified that need to have references to Area Assistant Superintendents stricken and to have inserted appropriate Academic Officers or appropriate designated administrator. We believe the attached list is inclusive, but will continue to make sure all policies are properly amended to implement reorganization. The attached list also includes Section D policies with changes submitted by the District Comptroller.

ADMINISTRATIVE CONSIDERATION:

The attached list includes changes made for the reasons outlined above. The administration believes this will make all policies consistent with the recent reorganization.

RECOMMENDATION:

Approve on first reading changes to various policies consistent with the administrative reorganization.

ATTACHMENT:

1) Addendum list of proposed policy changes
