

BOARD AGENDA ITEM

January 27, 2026

SUBJECT:

Semi-Annual Update on Minority Business Enterprise Utilization Plan for Fiscal Year Ending June 30, 2026

BACKGROUND INFORMATION:

The District's Minority Business Enterprise (MBE) Utilization Plan, adopted in accordance with the South Carolina Consolidated Procurement Code, requires semi-annual reporting in January and July. The plan must be updated annually for any changes no later than July 30.

ADMINISTRATIVE CONSIDERATION:

In compliance with MBE semi-annual reporting requirements, the Administration and Procurement department provide the following:

- a. Number of minority firms solicited;
Total = 101 for the period of July 1, 2025, through December 31, 2025 (compared to 43 for the first half of the previous year)
- b. Number of minority bids received;
Total = 1 for the period of July 1, 2025, through December 31, 2025 (compared to 1 for the first half of the previous year)
- c. Total dollar amount of funds expended on contracts awarded to minority firms certified pursuant to Section 11-35-5230 of South Carolina Code of Laws;
Total = \$1,437,107 for the period of July 1, 2025, through December 31, 2025 (compared to \$1,505,774 for the first half of the previous year)
- d. Total dollar amount of funds expended, less exclusions.
Total = \$18,852,323 for the period of July 1, 2025, through December 31, 2025; an additional \$4,501,284 remained encumbered as of December 31, 2025
[Note: School districts have the discretion to determine which expenditures to include or exclude in this analysis. After much consideration of various expenditures' attributes, exclusions were identified. The District has the ability to amend its inclusions or exclusions, as necessary, as it continues to refine its MBE Utilization Plan and reporting of its results.]

The MBE Utilization Plan's goal is to spend a minimum of 10% of controllable procurements with MBE firms. Through December 31, 2025, this percentage stands at 6.2%. For comparison, the MBE percentage for the first six months of 2024 – 2025 was 5.8%.

RECOMMENDATION:

Accept the MBE semi-annual reporting for information only.
