Due to budgetary constraints, no teacher step increase was given for the 2010-11 school year. For any teacher employed by the District at that time, this would result in the current year in a one year lag between a teacher's number of years experience (on certificate) compared to his/her salary step on the teacher salary schedule.

**(1) Years Experience: counted as years in that position in or out of the district.

(a) Principals may use every two years of assistant football coaching experience to count as one of head coaching experience when hiring new head football coaches.

- Football is the only sport where this ratio principle may be used.
- (b) It is the responsibility of all coaches to have their years experience validated with letters from every school system they were employed as coaches.
- (2) Supplements are for positions for these teams only. They cannot be used for additional coaches in other sports, nor to increase any current supplement.

SCHEDULE OF SUPPLEMENTS PROCEDURES 2014 – 2015

No person may be paid more than three supplements without approval of the Academic Officer for that respective level and the District Superintendent.

No person may receive more than one supplement identified with a given program except for athletic directors who also serve as head coaches. No person may be paid for head and assistant supplements for the same sport or receive dual supplements when programs are combined, such as boys and girls tennis.

Supplements are for a set number of positions for each school. They **CANNOT** be used for additional coaches in other sports, nor to increase any other current supplement. Supplements cannot be transferred to any feeder school program or position.

Assistant principals and above are not eligible for extra-curricular or athletic supplements.

Head football coaches for middle schools are encouraged to serve as assistants to the high school program prior to their respective program start-up dates.

Head coaches and athletic directors must meet the requirements for these positions as set forth by the High School League.

Supplements may be divided 50-50 between two individuals when both agree to share responsibilities and upon Academic Officer approval. A statement signed by each person is required to be on file.

Non-employees (employees with no other position in the District) may be hired for supplemental positions, preferably assistant coaching positions. Their hours will be limited such that they make at least hourly minimum wage over the course of the season as defined by the U.S. Department of Labor. The maximum number of hours will be determined by dividing the respective supplement by the minimum wage rate. In addition, no non-employee may work more than 40 hours during a seven day period.

NO PERSON MAY BE AWARDED ANY SUPPLEMENT ON THE SCHEDULE OF SUPPLEMENTS IF HE/SHE DOES NOT HOLD A SUPPLEMENTAL CONTRACT WITH THE SCHOOL DISTRICT OF AIKEN COUNTY.
