**April 17, 2018**

### **SUBJECT:**

Revisions to the Code of Student Conduct – First Reading

### **BACKGROUND:**

The Code of Student Conduct is reviewed and updated annually. As part of this process, a discipline steering committee consisting of community members, parents, educational leaders, teachers, board members, and administrators from all three grade levels reviews the Code of Student Conduct, and considers recommended additions, deletions, and revisions from school administration. Recommendations include the provision of clear guidance for school administrators in addressing student incidents with the intent of increasing consistency and appropriateness throughout the District.

### **ADMINISTRATIVE CONSIDERATION:**

The attached drafts of the Code of Conduct, which is presented as three separate but similar Codes of Student Conduct with variations based upon grade level considerations, is now submitted to the Board for its study, review, discussion, and Board action upon the administration's recommendation.

### **RECOMMENDATION:**

Approve the first reading of the proposed Code of Student Conduct for each level as presented as presented by the administration.
